What's Included in Every Plan

Onboarding and Setup

Our team handles your technical setup, data import, and configuration — so you're live in days, not weeks.

Staff Training

Live onboarding sessions for your staff so everyone knows how to get the most from AchievoEDU from day one.

Australian Support

Real people, based in Australia, who understand how schools work. No offshore call centres. No chatbots.

Data Security

Student data is stored securely in Australia. We comply with the Australian Privacy Act and never sell or share data.
